Writing Assignment

In a brief essay form, describe your expectations of this course and why you are enrolled in it. Also, discuss your career plans and how this course fits into those plans.

Submit your paper using the following guidelines:

- Use at least 150 words, but no more than 250 words
- Type your response on one side of a page
- Place your name on all pages that you submit
- Do not use a cover page or submit your response in a folder or other type of container
- Double space your sentences
- Use a legible font (e.g., Times New Roman), no larger than 12 point font and no smaller than 10 point font
- Use proper grammar and spelling
- If your response exceeds one typed page, use a single STAPLE to couple the pages. The staple should be in the upper left-hand corner of your submission
- Dr. Cooper’s Pet Peeve – semicolons: DON’T USE THEM unless you know what you are doing

For help, students are urged to use the services of the YSU Writing Center located in Room 3002, Coffelt Hall. Appointments may be made by either calling (330) 941-3055. Also, students may wish to consult *A Short Guide to Writing about Biology, 6th ed.*, by J. A. Pechenik (2007).
