## Course Syllabus Acknowledgement Form

**Date:** Summer Semester 2004  
**To:** Chester R. Cooper, Jr., Ph.D., Course Instructor, BIOL 3702  
**Subject:** Acknowledgement of Syllabus and Policies for BIOL 3702

By affixing my signature to this memorandum, I hereby acknowledge that I have accessed and read each of the links/documents on the BIOL 3702 web page located at the following URL:

<http://www.as.ysu.edu/~crcooper/3702Home.html>

In addition, by affixing my signature below I agree with the following statements:

- ◆ I fully understand the policies set forth in this syllabus.
- ◆ I acknowledge and understand that my failure to abide by these policies may have significant academic consequences for which I am solely responsible.
- ◆ I acknowledge and agree that the lecture and laboratory content described by this syllabus can be changed at the discretion of the course instructor in order to meet the course objectives.
- ◆ I will abide by all laboratory safety rules including the prohibition to remove chemical and biological materials, and any other reagents or items, from the laboratory without the explicit, written permission of Dr. Cooper.
- ◆ My signature does not in any manner signify the waiver of any rights granted to me by the policies, rules, and regulations of Youngstown State University.
